TEXAS TECH UNIVERSITY SYSTEM™

Mission of the Texas Tech University System

The mission of the Texas Tech University System is to provide leadership and support services for the Texas Tech University, the Texas Tech University Health Sciences Center, the Texas Tech University Health Sciences Center at El Paso, and Angelo State University in the attainment of each component's individual mission.

TEXAS TECH UNIVERSITY SYSTEM™

Angelo State University

ASU has recently achieved record enrollment growth and seen significant increases in graduation and retention rates.

- ✓ Freshman College
- ✓ Hispanic Serving Institution
- ✓ Dual Credit Program Expansion
- ✓ Civil Engineering Program
- ✓ Carr Scholarship
- Goodfellow Air Force Base Partnership

TEXAS TECH UNIVERSITY SYSTEM™

Texas Tech University

- ✓ Increased enrollment while promoting student success
- ✓ Record number of degrees awarded
- ✓ Red to Black
- Advances in Research Programs
 - Bayer CropScience
 - Innovation Hub and Research Park
- Achieved Carnegie Tier One designation
- College of Veterinary Medicine

TEXAS TECH UNIVERSITY SYSTEM™

Texas Tech University Health Sciences Center

- ✓ Continued enrollment growth in all degree programs
- Unique regional campus structure
- Committed to addressing the distinctive healthcare workforce issues for our region and the state
 - GME Expansion
 - Family Medicine Accelerated Track
 - Mental Health Advanced Practice Nurse Program
 - ✓ Veteran to BSN program
 - RN to BSN programs and partnerships across the state
 - ✓ Interprofessional Education focus on teamwork

TEXAS TECH UNIVERSITY SYSTEM™

Texas Tech Health Sciences Center at El Paso

TTUHSC El Paso is developing as an exceptional health sciences center on the Texas/Mexico border

- Independent Accreditation Process
- ✓ Meet the needs of the community and state by providing well-educated health care professionals with marketable skills
- Enhance Research and Centers of Excellence
- Continued Growth
 - Ongoing planning and assessment of need for additional professional programs
 - Focus on complete complement of degrees offered as a health sciences center
 - Recognize this growth must be responsive to workforce needs in the area and across the state

TEXAS TECH UNIVERSITY SYSTEM™
