

## Summary of Changes on the CBM00S for Fall 2014 and Spring 2015

	Prior to Fall 2014	Fall 2014	Spring 2015
Item #22 (CTC) Item #19 (Univ)	<p><b>Developmental Education Course/Intervention Type and Level.</b> Enter the code indicating the type/level of developmental course/intervention completed by the student. (See the introduction for a description of course levels/intervention types.) Report all developmental student success courses as '1' and all approved developmental student success interventions as '4.' Interventions include non-semester-length and non-course based activities but do NOT include traditional courses offered in a compressed time frame.</p> <p>0 Not a developmental course/intervention 1 Highest level developmental course 2 Medium level developmental course 3 Lowest level developmental course 4 Highest level developmental intervention 5 Medium level developmental intervention 6 Lowest level developmental intervention</p>	<p><b>Developmental Education Course/Intervention Type and Level.</b> Enter the code indicating the type/level of developmental course/intervention completed by the student. (See the introduction for a description of course levels/intervention types.) Report all developmental student success courses as '1' and all approved developmental student success interventions as '4.' Interventions include non-semester-length and non-course based activities but do NOT include traditional courses offered in a compressed time frame. Self-paced and paired courses may be reported in items #7 and #8 for fall 2014. Reporting items #7 and #8 are optional for fall 2014 but required in spring 2015. If items #7 or #8 are reported for fall 2014, all other courses/interventions may be reported in #1 and #4.</p> <p>0 Not a developmental course/intervention 1 Highest level developmental course 2 Medium level developmental course 3 Lowest level developmental course 4 Highest level developmental intervention 5 Medium level developmental intervention 6 Lowest level developmental intervention 7 Self-paced course or intervention (for example, emporium or module-based) 8 Co-requisite or paired course or intervention (use this option for both sections of the co-requisite course. Do NOT report students under this option unless concurrently enrolled in both DE and college-level as part of a co-requisite model in the same semester/reporting period)</p>	<p><b>Developmental Education Course/Intervention Type.</b> Enter the code indicating the type of developmental course/intervention completed by the student. (See the introduction for a description of course intervention types.) Interventions include non-semester-length and non-course based activities but do NOT include traditional courses offered in a compressed time frame.</p> <p>0 Not a developmental course/intervention (exception: report a college-level course in a co-requisite model as option '8') 1 Developmental course 4 Developmental intervention, including NCBOs (not self-paced or co-requisite model) 7 Self-paced course or intervention (for example, emporium or module-based) 8 Co-requisite or paired course or intervention (use this option for both sections of the co-requisite course. Do NOT report students under this option unless concurrently enrolled in both DE and college-level as part of a co-requisite model in the same semester/reporting period)</p>
