# TEXAS TECH UNIVERSITY SYSTEM

Kent Hance, Chancellor

November 15, 2013

Honorable Rick Perry  
Governor of Texas

Honorable Susan Combs  
Texas Comptroller

Ms. Ursula Parks  
Director, Legislative Budget Board

Mr. John Keel, CPA  
State Auditor

To Agency Heads Addressed:

We are pleased to submit the annual financial report of Texas Tech University System Administration for the year ended 08/31/2013, in compliance with Texas Government Code Annotated, Section 2101.011, and in accordance with the requirements established by the Comptroller of Public Accounts.

Due to the statewide requirements embedded in Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*, the Comptroller of Public Accounts does not require the accompanying annual financial report to comply with all the requirements in this statement. Neither the State Auditor nor TTUS Office of Audit Services has audited the accompanying annual financial report and, therefore, neither has expressed an opinion on the financial statements and related information contained in this report. The financial report will be considered for audit by the state auditor as part of the audit of the State of Texas *Comprehensive Annual Financial Report (CAFR)*.

As indicated by the following letter of transmittal, this report has been prepared by the Texas Tech University office of Financial Services and Tax to provide a summary of the institution’s financial records, and to present a complete picture of the fiscal affairs of the Texas Tech University System Administration. If you have any questions, please contact Elisabeth Grisham, Financial Reporting Manager at 806-742-2970.

Sincerely,

A handwritten signature in black ink, appearing to read "Kent Hance".

Kent Hance  
Chancellor

TEXAS TECH UNIVERSITY

Financial Services and Tax

November 15, 2013

Chancellor Kent Hance  
Texas Tech University System Administration  
Lubbock, Texas 79409

Chancellor Hance:

Submitted herein is the Annual Financial Report of Texas Tech University System Administration for the fiscal year ended August 31, 2013.

The accompanying Annual Financial Report has been prepared in compliance with Texas Government Code Annotated, Section 2101.011, and in accordance with the requirements established by the Comptroller of Public Accounts.

This Annual Financial Report will be considered for audit by the State Auditor as part of the audit of the State of Texas Comprehensive Annual Financial Report (CAFR); therefore, an opinion has not been expressed on the financial statements and related information contained in this report.

If you have any questions, please contact me at 742-2970.

Sincerely,

*Elisabeth Grisham*

Elisabeth Grisham, CPA  
Financial Reporting Manager

### TEXAS TECH UNIVERSITY SYSTEM ADMINISTRATION (768)

#### Notes to the Financial Statements

##### **Note 1: Summary of Significant Accounting Policies**

###### **Reporting Entity**

The Texas Tech University System Administration is an agency of the State of Texas and its financial records comply with State statutes and regulations. This includes compliance with the Texas Comptroller of Public Accounts' Annual Financial Reporting Requirements for State Agencies.

Due to the significant changes related to Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*, the Comptroller of Public Accounts does not require the accompanying annual financial statements to be in compliance with generally accepted accounting principles (GAAP). The financial report will be considered for audit by the State Auditor as part of the audit of the State of Texas Comprehensive Annual Financial Report; therefore, an opinion has not been expressed on the financial statements and related information contained in this report.

###### **Basis of Accounting**

The accounting records of Texas Tech University System Administration are maintained using a modified accrual basis. Accounting data for most external reports, including this Annual Financial Report, are converted to full accrual basis of accounting in compliance with GASB Statements 34 and 35. For financial reporting purposes, Texas Tech University System Administration is considered a special-purpose government engaged only in business-type activities. Accordingly, Texas Tech University System Administration's financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when an obligation has been incurred.

###### **Cash and Cash Equivalents**

For the purpose of financial statement reporting, cash and cash equivalents are defined as all cash on hand, cash in banks, reimbursements due from the State Treasury, and temporary investments with original maturities of 90 days or less. Texas Tech University System Administration utilizes bank deposits and eligible investment pools as cash equivalents in its Short/Intermediate Term Investment Fund.

Texas Tech University System Administration records and reports its deposits in the general deposit account at cost. It records and reports its special deposit accounts at fair market value.

###### **Investments**

The Texas Tech University System Administration accounts for its investments at fair market value, as determined by quoted market prices, in accordance with GASB Statement No. 31 – *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*. Changes in unrealized gain (loss) on the carrying value of the investments are reported as a component of investment income in the Statement of Revenues, Expenses, and Changes in Net Position.

## Texas Tech University System Administration (768) – Notes to the Financial Statements (continued)

**Receivables**

Interest and income receivable consists of amounts due from investment holdings, cash management pools, and cash invested in various short-term investment items. Pledged gift receivables expected to be collected within one year are reported as current assets, with the remaining portions reported as non-current.

**Prepaid Items**

Prepaid items include items such as insurance, subscriptions, prepaid postage, prepaid travel costs and similar services which benefit more than one accounting period. These are recorded as assets, with the recognition of the expenditure deferred until the accounting period when the items are used or consumed.

**Capital Assets**

Furniture, equipment, and vehicles with a cost of more than \$5,000 and an estimated useful life in excess of one year are capitalized. Capitalization thresholds for buildings, building improvements, facilities and other improvements are \$100,000. The capitalization threshold for infrastructure is \$500,000. These assets are capitalized at cost. Donated assets are reported at fair market value on the acquisition date. Routine repairs and maintenance and capital assets acquired for less than the threshold amounts are charged to operating expenses in the year in which the expense was incurred. Depreciation is based on allocation methods and estimated lives prescribed by the State Property Accounting System (SPA). Assets are depreciated over the estimated useful life of the asset using the straight-line method.

Intangible capital assets are defined as assets that lack physical substance, are nonfinancial in nature, and have an initial useful life extending beyond a single reporting period. These assets are required to be reported if they are identifiable. Land use rights with a limited useful life are capitalized if the cost meets or exceeds \$100,000. Purchased computer software is capitalized if the aggregate cost of the purchase meets or exceeds \$100,000. Internally generated computer software has a capitalization threshold of \$1,000,000, and other intangible capital assets must be capitalized if the cost meets or exceeds \$100,000. Intangible assets are amortized based on the estimated useful life of the asset using the straight-line method.

**Accounts Payable**

Accounts Payable and Payroll Payable represent the liability for the value of assets or services received, and wages/salaries owed at the balance sheet date for which payment is pending.

**Employees' Compensable Leave Balances**

Employees' Compensable Leave Balances represent the liability that becomes "due" upon the occurrence of relevant events such as resignations, retirements, and uses of leave balances by covered employees. Liabilities are reported separately as either current or noncurrent in the Statement of Net Position.

**Net Position**

Net Position is the difference between fund assets and liabilities. They are presented in three separate classes: Invested in Capital Assets, Net of Related Debt; Restricted Net Position and Unrestricted Net Position.

***Invested in Capital Assets, Net of Related Debt***

This category represents capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

## Texas Tech University System Administration (768) – Notes to the Financial Statements (continued)

***Restricted Net Position***

Restricted net position results when constraints placed on net position use are either externally imposed by a party external to the System such as creditors, grantors, contributors, and the like, or imposed by law through constitutional provisions or enabling legislation.

***Unrestricted Net Position***

Unrestricted net position consists of net position, which does not meet the definition of restricted net position. Unrestricted net position often has constraints on resources, which are imposed by management, but can be moved or modified.

**Interfund Activity and Transactions**

Texas Tech University System Administration is regularly involved in both interfund activity and interfund transactions. Interfund activity is defined as financial interaction between internal funds, including blended component units. Interfund transactions are defined as financial transactions between legally separate entities. Interfund activity and interfund transactions are both clearly identifiable and are eliminated where appropriate.

**Note 2: Capital Assets**

Depreciation of capital assets is recorded as a periodic expense and accumulated as an offset to the asset book values. Depreciation of capital assets is based on allocation methods and estimated lives prescribed by the State Property Accounting (SPA) system. Accumulated depreciation is classified by capital asset category, providing for an estimation of the net book value of each asset category.

Capital assets are categorized as (1) Land and Land Improvements, (2) Buildings and Building Improvements, (3) Infrastructure, (4) Furniture and Equipment, (5) Vehicles, Boats and Aircraft, (6) Construction in Progress, (7) Other Capital Assets, (8) Facilities and Other Improvements, (9) Land Use Rights, (10) Computer Software, or (11) Other Intangible Capital Assets. The changes to fixed asset balances are summarized below for August 31, 2013 and August 31, 2012, respectively.

**Note 3: Deposits, Investments, and Repurchase Agreements**

Texas Tech University System Administration’s investment portfolio is invested pursuant to the parameters of applicable Texas law and the governing board’s Investment Policies. Under Texas law, Texas Tech University System Administration investments may be “any kind of investment that persons of ordinary prudence, discretion, and intelligence, exercising the judgment and care under the circumstances then prevailing, acquire or retain for their own account in the management of their affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital.” Under Texas law, Texas Tech University System Administration is required to invest its institutional funds according to written investment policies adopted by the Board of Regents. No person may invest Texas Tech University System Administration funds without express written authority from the governing board.

The governing investment policy is Regents’ Rules Chapter 09, “Investment and Endowments.” The majority of Texas Tech University System Administration assets are invested in two investment pools; the Long Term Investment Fund (LTIF) and the Short/Intermediate Term Investment Fund (STIF), both having their own stand-alone investment policies. Endowment funds and certain eligible long-term institutional funds are invested in the LTIF, which invests in equity and fixed income securities, as well as alternative investments such as hedge funds and private equity, and is operated using a total return philosophy. Other institutional funds not in the LTIF are invested in the STIF. Other assets include securities gifted to Texas Tech University with donor instructions to maintain in their original form, and bond proceeds invested in external investment pools.

**Foreign currency risk for investments** is the risk that changes in exchange rates will adversely affect the investment. The LTIF's policy is to limit international equity to between 10% and 20% of the portfolio; the STIF does not have a policy limit. The exposure to foreign currency risk as of August 31, 2013 and August 31, 2012 respectively, is as follows.

**Employees' Compensable Leave**

A State employee is entitled to be paid for all unused vacation time accrued, in the event of the employee's resignation, dismissal, or separation from State employment provided the employee has had continuous employment with the State for six months. Expenditures for accumulated annual leave balances are recognized in the period paid or taken. The liability for unpaid benefits is recorded in the Statement of Net Position. No liability is recorded for non-vesting accumulating rights to receive sick pay benefits. This obligation is paid from a central vacation pool account which collects the funding from the same funding source(s) from which the employee's salary or wage compensation was paid.

**Notes and Loans Payable**

Commercial paper was issued during the fiscal year to finance various construction and equipment projects. Debt service for the obligation is provided in general appropriation for tuition revenue bonds and revenue from various projects. All commercial paper outstanding at August 31, 2013 will mature in fiscal year 2014. Commercial paper has short maturities up to 270 days with interest ranging from .09% to .20%.

<b>Total Legislative Transfers In / Out</b>			<b>\$ 3,456,302.00</b>	

Texas Tech University System Administration (768) – Notes to the Financial Statements (continued)

**Note 13: Continuance Subject to Review**

The Texas Tech University System Administration is not subject to the Texas Sunset Act.

**Note 14: Adjustments to Fund Balances/Net Position**

The System Administration has no restatement of Fund Balance/Net Position as of August 31, 2013 or August 31, 2012.

**Note 15: Contingencies and Commitments**

At August 31, 2013 and August 31, 2012, no material lawsuits or claims involving the Texas Tech University System Administration were pending.

**Note 16: Subsequent Events**

The Texas Tech University System Administration has no material subsequent events to disclose.

**Note 17: Risk Management**

Texas Tech System Administration by State law is required to be a participant in the Workers Compensation Program and Pool managed by the State Office of Risk Management (SORM). The System is assessed fees by SORM based upon claims experience, claim incidences, payroll size and FTE. Total SORM assessment for fiscal year 2013 and 2012 totaled \$27,385.88 and \$27,434.15, respectively. SORM pays all WCI claims. The Worker's Compensation plan for the fiscal year was funded by a .25 percent charge on non-educational and general gross payroll for paying its proportionate share of the SORM assessment.

The System has self-insured arrangements for Unemployment Compensation Fund coverage. The State of Texas pays 50% of claims for employees paid from State funds. The System pays the remainder for employees paid from State funds and 100% of the claims paid for employees paid from non-state funds. Total payments for unemployment compensation for fiscal year 2013 and 2012 amounted to \$11,133.92 and \$9,115.89, respectively. The claims for employees paid from non-state funds are funded by interest earnings on the Unemployment Compensation Fund balance and utilization of fund balance.

**Note 18: Management Discussion and Analysis**

The Texas Tech University System is composed of a central administrative unit, the Texas Tech University System Administration, and three component institutions – Texas Tech University, Texas Tech University Health Sciences Center, and Angelo State University. These three separate academic institutions are governed by the ten-member Board of Regents. The Regents are appointed by the Governor of the State of Texas to six-year terms with the exception of a student Regent who is appointed to a one-year term. The Chancellor is the chief executive officer of the System and is appointed by and reports directly to the Board of Regents. The Chancellor and his staff are supported by the administrative agency, the Texas Tech University System Administration.

Texas Tech University, based in Lubbock, is one of the state's largest major comprehensive universities. Over 33,000 students enroll annually, coming from all 50 states and more than 117 foreign countries. These students choose from among 152 undergraduate, 107 masters, and 64 doctoral programs.

Texas Tech University System Administration (768) – Notes to the Financial Statements (continued)

Texas Tech University Health Sciences Center has an enrollment of over 4,000 students in its schools of medicine, nursing, allied health, pharmacy, and the graduate school of biomedical sciences. The Lubbock campus serves as the administrative hub for the Health Sciences Center, with regional campuses located in Abilene, Amarillo, Dallas, El Paso, Midland and Odessa.

Angelo State University, based in San Angelo, became part of the Texas Tech University System on September 1, 2007. Angelo State University enrolls approximately 7,000 students from 210 of Texas' 254 counties, 41 other states, and 22 countries. Angelo State University offers 43 undergraduate degrees, 20 master's degrees and one doctoral degree with more than 100 majors and areas of concentration.

On May 18, 2013, Governor Rick Perry signed Texas Senate Bill 120, which established a fourth component of the Texas Tech University system, Texas Tech University Health Sciences Center at El Paso.

The Texas Tech University System employs more than 17,000 faculty and staff. The annual combined budget of the System totals more than \$1.6 billion; approximately \$369 million of these funds are appropriated by the Texas Legislature. The total enrollment across all components is more than 44,000 students.

The Texas Tech University System is committed to providing the highest quality and most efficient resources and services to its components. Throughout all institutions and centers, the System strives to increase accessibility, enhance instruction and infrastructure formula funding, provide necessary financial aid, produce and commercialize new technologies, strengthen academic quality and reputation, advance research, improve productivity and efficiency, and further the quality and availability of health care for all Texans.

#### **Note 19: The Financial Reporting Entity**

##### **The Financial Reporting Entity**

Texas Tech University System Administration is the executive arm of the Texas Tech University System. As required by generally accepted accounting principles, these financial statements present the Texas Tech University System Administration. Texas Tech University System Administration has no related organizations or joint ventures or jointly governed organizations.

##### **Related Parties – Relationship with Texas Tech University System Administration**

The Texas Tech University System Administration has no related parties to report.

The Texas Tech University System (TTUS), created in 1999, is composed of one health related and two general academic institutions. The components are Texas Tech University System Administration (TTUSA); Texas Tech University (TTU); Texas Tech University Health Sciences Center (TTUHSC) and Angelo State University (ASU).

##### **Note 20: Stewardship, Compliance and Accountability**

The Texas Tech University System Administration has no material stewardship, compliance, and accountability issues.

##### **Note 21: N/A**

Texas Tech University System Administration (768) – Notes to the Financial Statements (continued)

**Note 22: Donor-Restricted Endowments**

Expenditure of endowed funds is not allowed without the express consent of the donor. Most of System Administration's endowments are held in perpetuity. In many cases, endowment earnings are expendable for student financial assistance or other purposes as designated by the donor. In other cases, endowment earnings are reinvested.

Endowment assets are invested predominantly in the Long Term Investment Fund (LTIF). The LTIF has experienced varying performance since its inception. The cumulative effect of valuation changes assignable to endowment fund assets by the System are summarized in the following table:

<b>Donor Restricted Endowment</b>	<b>Amount Net Appreciation</b>	<b>Reported in Statement of Net Position</b>	<b>As of</b>
True Endowments	\$ 24,752.66	Restricted Nonexpendable	August 31, 2013
True Endowments	\$ 7,995.67	Restricted Nonexpendable	August 31, 2012

The System's spending policy reflects an objective to distribute as much total return as is consistent with overall investment objectives while protecting the inflation-adjusted value of the principal. The following factors are considered in the spending policy: the duration and preservation of the LTIF, the purposes of the System and the LTIF, general economic conditions, the possible effect of inflation or deflation, the expected total return from income and the appreciation of investments, other resources of the System and the overall investment policy. The distribution of spendable earnings shall not exceed 6% nor be less than 4% of the average net asset value of the LTIF for the 12 quarters just ended.

**Note 23: Extraordinary and Special Items**

Texas Tech University System Administration has no special or extraordinary items to disclose for the year ended August 31, 2013 or August 31, 2012.

**Note 24: Disaggregation of Receivable and Payable Balances**

Texas Tech University System Administration has no reportable disaggregation of the receivable and payable balances for the year ended August 31, 2013 or August 31, 2012.

**Note 25: Termination Benefits**

The Texas Tech University System Administration has no reportable voluntary or involuntary termination benefits as of August 31, 2013 or August 31, 2012.

**Note 26: Segment Information**

The Texas Tech University System Administration has no reportable segments as of August 31, 2013 or August 31, 2012.

**Note 27: Service Concession Arrangements**

Texas Tech University System Administration has no reportable service concession arrangements as of August 31, 2013 or August 31, 2012.
