## **AGENDA ITEM XI-C**

<u>Consideration of adopting the Committee's recommendation to the Board relating to the certification of gifts that are fundable through the Texas Research Incentive Program (TRIP) for the Emerging Research Universities</u>

RECOMMENDATION: Approval

Background Information:

The 81st Texas Legislature in 2009 created the Texas Research Incentive Program (TRIP), establishing a research matching fund for the emerging research universities.

The legislation requires the Texas Higher Education Coordinating Board to certify that the gifts or endowments received by each emerging research university were donated for the purpose of enhancing research activities at the institution, such as endowed chairs, professorships, research facilities, research equipment, program costs, or graduate research stipends or fellowships. Once the gifts are certified, the percentage matched is statutorily mandated, leaving no discretion in the amount of matching funds that the institutions receive, subject to the amount appropriated.

The amounts are being certified so the Legislature will have a basis for determining the amounts to appropriate for the 2022-23 biennium. Due to the timing of the certification process, this agenda item was not ready in time for the Committee on Affordability, Accountability and Planning. Therefore, it is being brought to the Agency Operations Committee for consideration prior to the full Board meeting.

Dr. Julie Eklund, Assistant Commissioner for Strategic Planning and Funding, will provide a brief presentation and be available to answer questions.
