

# Apply Texas and High School Counselors

Apply Texas Advisory Committee Meeting  
November 19, 2015

# HS Use of the Admission Application Page

See Document 1

1. How many of your students have started at least one application to a college?
2. Of those you can see in the handout, which ones have completed applications to 2-year institutions?
3. How many have not completed any applications?
4. Has Logan Caldwell applied to Midwestern State University?

# Using Logan's Application Details Page...

See Documents 2 and 3

Click on "app listing" (final column) for Logan

1. For which colleges has he only started an app?
2. What are the deadlines for submitting the incomplete applications?
3. Did he apply to any community colleges?
4. Which schools require an essay?

# Using the FAFSA Apps Data

See Document 4

To access the FAFSA data, go to the blue bar at the top of the admissions application page and click on “FAFSA Apps”

1. How many students have started the FAFSA?
2. Have all of them completed it?
3. How many were selected for verification? What does that mean?
4. Which of these students could compete for a TEXAS Grant?

# Apply Texas Counts

Public-access college and high school statistics about university Freshman and 2-year college Admission Applications (including dual credit applications). Accessed through:

- A link at top of ApplyTexas Application screen labeled, “ApplyTexas Counts,” or
- A “Google” search on “Apply Texas Counts,” or by
- Going to [https://www.applytexas.org/adappa/app\\_counts.WBX](https://www.applytexas.org/adappa/app_counts.WBX)
