

Instructions for reading the 2014-2015 Student Migration Report

The *2014-2015 Student Migration Report* compares fall 2014 enrollment in Texas public community, state and technical colleges to fall 2015 enrollment. The data are taken from the CBM001 Student Report, which records students enrolled on the official census date (12th class day) in semester-length courses and the CBM009 Graduation Report, which records graduates for the academic year.

For this migration report, students were tracked using their student identification numbers. This study does not include students enrolled in the spring 2015 or summer 2015 semesters or students enrolled in flexible entry courses.

The *2014-2015 Student Migration Report* data are separated by graduates and non-graduates. Graduates include students reported on the CBM009 for 2014-2015 the academic year by public and independent institutions. Graduates also include students who graduated at any time during the 2014-2015 academic year. Graduates may have received: an Associate's Degree, a Certificate, an Enhanced Skills Certificate, an Advanced Technology Certificate, or a Bachelor's Degree.

The *2014-2015 Student Migration Report* data are further categorized in four major ways. For each region or institution, a student is only counted in one category. Core curriculum completers did not graduate, but graduates might also have completed their institutions' core curriculum.

- a. SAME INSTITUTION - Students who were enrolled in the 2014 fall term at a public community, state or technical college and who returned to the same institution in the fall of 2015.
- b. OTHER 2-Year - Students who enrolled in the 2014 fall term at a public community, state or technical college and transferred to another 2-year institution in the fall of 2015.
- c. OTHER 4-Year - Students who enrolled in the 2014 fall term at a public community, state or technical college and transferred to a 4-year institution in the fall of 2015.
- d. NOT FOUND - Students who enrolled in the fall 2014 term at a public community, state or technical college and who could not be identified through the Coordinating Board student record files in the fall of 2015.

CONCURRENT ENROLLMENT - Students who were concurrently enrolled at more than one institution are given to the institution from which they were taking the highest number of semester credit hours.

ETHNICITY DEMOGRAPHIC - Hispanic students, except international ones, are counted as Hispanic. Students who are "Multi-Racial one of which is African American" are included with the African American students. Asian includes Asian, Hawaiian, and Pacific Islanders. "Other" includes American Indian, Alaskan Native, Unknown, and two or more races, excluding African American. International students are shown as a separate category.
