## LONE STAR COLLEGE

## OVERVIEW/PROFILE

## Tradition of Excellence

Lone Star College ("LSC") has been helping students start close and go far for more than 40 years. With its beginnings in 1973, LSC remains steadfast in its commitment to student success and credential completion.

In 1972, residents in the Aldine, Humble and Spring Independent School Districts elected to create a junior college district, which became known as North Harris County College. The college opened its doors in the fall of 1973 and the 16 -member staff welcomed 613 students to the first classes held at Aldine High School.

Fast forward 40 years and Lone Star College has grown to six campuses, multiple centers and two University Centers with 85,000 credit students and a total of more than 98,000 students. LSC is now the largest institution of higher education in the Houston area and is one of the fastest-growing community college systems in the nation.

In 2008, Lone Star College became the new name for the North Harris Montgomery Community College District after months of deliberation and a polling process that included input from more than 5,000 participants from the community. The Board of Trustees voted unanimously to change the name to Lone Star College, which was the overwhelmingly favorite choice among those who participated.

The original three school districts have been joined by eight others: New Caney in 1981, Tomball in 1982, Conroe in 1991, Willis and Splendora in 1996, Klein in 1998, and CypressFairbanks and Magnolia in 2000.

The Lone Star College system offices were relocated to their current location in The Woodlands in 2003. The Training and Development Center was added to serve as the home of the district's monthly board meetings as well as create an ideal learning facility for the college system and the community.

## Accreditation

Lone Star College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Associate of Arts, Associate of Arts in Teaching, Associate of Science and Associate of Applied Science Degrees.

Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Lone Star College, to file a thirdparty comment at the time of the ten-year review, and to file a complaint against the institution for alleged non-compliance with a standard or requirement. Normal inquiries about Lone Star

College such as admissions requirements, financial aid, educational programs, etc. should be addressed directly to Lone Star College and not to the Commission's office.

Accredited since 1976, Lone Star College's accreditation was reaffirmed in 2012.

## Nationally recognized, globally connected, locally focused

Lone Star College is the largest institution of higher education in the Houston area and one of the fastest-growing community colleges in the nation. Not only great in size, LSC is a key driver and growing contributor to the local and regional economy with an annual economic impact of $\$ 3.1$ billion. LSC provides more than 180 programs of study and students obtain Associate Degrees, certifications for work in high-demand industries, and credits that enable them to transfer anywhere.

## Lone Star College is the college of choice

- 1 in 4 , or $25 \%$, of May graduates from area high schools attend LSC in the fall.
- 13,000+ high school students take dual credit courses, earning simultaneous high school and college credit, to accelerate their college completion.

## Mission

Lone Star College provides comprehensive educational opportunities and programs to enrich lives.

## Vision

Lone Star College will be a model college globally recognized for achieving exceptional levels of success in student learning, student completion, gainful employment, equity and affordability.

## CULTURAL BELIEFS

## Students Matter

I engage and support each student to achieve their goals

Inspire Excellence
I celebrate successes and value the contributions of all employees

Act Intentionally
I create goals and make decisions based on meaningful data

## Better Together

I share knowledge and encourage collaboration to reach common goals

No Fear
I am empowered to effect positive change

## Trust

I practice transparent communication, encourage dialogue, and cultivate trust!

## CORE VALUES

- Excellence
- Learning
- Student Success
- Access and Affordability
- Accountability
- Community
- Diversity
- Human Resources
- Innovation and Creativity
- Integrity

## Strategic Goals

## Academic \& Workforce Program Quality

Provide high quality academic and workforce programs that enhance students' learning experience and prepare them for the 21st century workforce.

## Student Success

Promote student success by ensuring excellence in teaching, learning and student-centered support services.

## Financial Responsibility \& Accountability

Ensure sound financial practices that are accountable to stakeholders and fairly allocate budget and resources.

## Culture

Nurture a culture that values and respects all Lone Star College members and encourages collaboration.

## Partnerships

Build strong partnerships with local ISDs and civic, charitable, higher education, industry and business organizations to promote student and community success.

## Report from the Chief Financial Officer

## FY 2018 Budget Highlights

I am pleased to present the Approved FY 2018 Annual Budget, which represents the collective and collaborative work of Lone Star College (the "College") system and campus administration consisting of LSC-CyFair, LSC-Kingwood, LSC-Montgomery, LSC-North Harris, LSC-Tomball, LSCUniversity Park and system support operations. The administration and staff thank the Board of Trustees for their continued support and guidance in conducting the financial operations of the College in a highly ethical and responsible manner.

The $\$ 427$ million Approved FY 2018 Annual Budget consists of $\$ 374$ million in revenues for operations and $\$ 53$ million in revenues for general obligation debt service. Approved operating expenditures are $\$ 366$ million, providing a surplus of $\$ 7.5$ million, which will be added to the College's cash reserves. Cash reserves at the end of FY 2016 were $13.2 \%$ of expenditures less debt service and are projected to be $14.9 \%$ by the end of FY 2017 . The approved $\$ 7.5$ million operating surplus would put the College in a position to end FY 2018 with $16 \%$ cash reserves, and put the College on track to hit the goal of a $20 \%$ cash reserves balance in five years.

Community colleges in Texas are required by law to prepare an annual operating budget of anticipated revenues and expenditures for the fiscal year beginning September 1. The budget presented was prepared in accordance with LSC Board Policy and The Texas Higher Education Coordinating Board guidelines as defined in the Budget Requirements and Annual Financial Reporting Requirements for Texas Public Community and Junior Colleges.

## Revenue Highlights

The College anticipates increased revenues for FY 2018 from all three primary revenue sources; ad valorem taxes, tuition and fees, and state appropriations.

The College received preliminary taxable assessed values from Harris, Montgomery and San Jacinto Counties in April, which anticipates taxable values growing 4.85\%, from $\$ 181.6$ billion to $\$ 190.4$ billion. This is estimated to generate $\$ 152$ million in tax revenues for operations; an increase of $\$ 10$ million from FY 2017 estimated actual tax revenues of $\$ 142$ million. Certified assessed values will be received in late August and will be presented to the Board of Trustees at the September board meeting. A proposed tax rate, which is expected to be flat at 10.78 cents per $\$ 100$ of taxable value, will be submitted for adoption at the October board meeting.

Tuition and fees are estimated to generate $\$ 126$ million in FY 2018 ; an increase of $\$ 11$ million from FY 2017 estimated actual student revenues of $\$ 115$ million. This increase is due to a projected 3\% growth in enrollment over FY 2017 and fee increases.

At the March 2, 2017 board meeting, trustees approved per credit hour fee increases in the technology fee of $\$ 2$, the out-of-district fee of $\$ 5$, the differential tuition of $\$ 1$ on average, and the out-of-state/international fee of \$5. This Approved FY 2018 budget also includes additional per credit hour fee increases in the out-of-district and out-of-state/international fees of \$10 beginning with the spring 2018 semester. These additional proposed fee increases will be presented to the Board of Trustees at the September board meeting.

The projected growth and fee increases are estimated to have the following impacts on FY 2018 tuition and fees:

- $\$ 4.9$ million increase from enrollment growth
- $\$ 2.7$ million increase from technology fees
- $\$ 1.7$ million increase from out-of-district fees
- $\$ 1.3$ million increase from differential tuition
- $\$ 0.6$ million increase from out-of-state/international fees

Finally, state appropriations are estimated to generate \$78 million in FY 2018, an increase of \$4 million from FY 2017 estimated actual state appropriations of $\$ 74$ million. The $85^{\text {th }}$ State Legislature provided a modest increase of $\$ 19$ million in total state appropriations for community colleges, and the College received additional funding based on growth and an increase in funds for core operations.

## Expenditure Highlights

The College's 2015-2020 Strategic Plan; built with feedback from faculty, staff, students, and community stakeholders; includes five strategic priorities and resources have been allocated to support these goals.

Academic \& Workforce Program Quality - Additional funding in support of providing high quality academic and workforce programs that enhance students' learning experience and prepare them for the $21^{\text {st }}$ century workforce includes:

- $\$ 4.0$ million for operations at new facilities offering new instructional spaces
- $\$ 2.2$ million for 30 new faculty
- $\$ 1.0$ million distributed to the six campuses based on their respective enrollment growth
- \$400,000 for workforce development programs and administrative support
- $\$ 350,000$ for new bachelor degree programs approved during the $85^{\text {th }}$ legislative session
- $\$ 215,000$ to support expansion of the lifePATH ${ }^{\text {tm }}$ program, which offers educational opportunities for students with disabilities that affects executive functioning
- $\$ 200,000$ additional funds for repair and replacement to support quality student facilities
- $\$ 125,000$ to improve and expand online programs

Student Success - Additional funding in support of ensuring excellence in teaching, learning and student-centered support services includes:

- $\$ 1.0$ million distributed to the six campuses based on their respective improvements in program quality as measured by established performance metrics
- $\$ 439,000$ for creation of the Student Success Institute focusing on completion rates for first-time-in-college African American students and other diverse student populations
- \$310,000 for marketing
- \$150,000 for enhancing disability services
- $\$ 111,000$ for additional job placement advisors
- \$91,000 for additional student advisors
- $\$ 60,000$ for online orientation and a pilot to offer laboratory instruction online

Culture - Additional funding to nurture a culture that values and respects all Lone Star College members and encourages collaboration includes:

- Compensation enhancements of:
- $\$ 4.2$ million for a $2 \%$ increase (min. $\$ 750$ ) for full-time faculty and staff and a $2 \%$ increase for part-time staff
- $\$ 1.1$ million for continuation of positions hired in FY 2017
- $\$ 1.0$ million recognition of faculty educational attainments
- \$850,000 for alignment of job duties and pay structures
- \$138,000 to cover increases in benefit costs
- Non-compensation enhancements of:
- \$750,000 to provide additional security at the College's instructional centers
- \$450,000 for faculty and leadership training programs

Partnerships - Additional funding to build strong partnerships with locals ISDs and civic, charitable, higher education, industry and business organizations to promote student and community success includes:

- $\$ 100,000$ for a training lease with Baker Hughes Oil \& Gas
- $\$ 40,000$ for a matching grant from the University of Houston for the Small Business Development Center
- \$20,800 for developmental education and dual credit programs

Financial Responsibility \& Accountability - Additional funding to ensure sound financial practices that are accountable to stakeholders and fairly allocate budget and resources includes:

- $\$ 1.0$ million for an increase in annual debt service due to revenue bonds
- \$732,000 for legal support
- \$656,000 for human resources support
- \$554,000 for finance and operations support
- \$496,000 for personnel reassignments
- $\$ 483,000$ for governance and compliance support
- \$261,000 for contingency
- $\$ 228,000$ for the separation incentive plan
- $\$ 159,000$ to move personnel from bond funding to operating funding
- $\$ 22,100$ for system office operations support at University Park

## Planning for the Future

## Ad Valorem Revenues:

Growth in taxable values has significantly exceeded average growth since FY 2014. The Board of Trustees has used this opportunity to approve a reduction in the College's tax rate in each of these high growth years. The estimated taxable value growth for FY 2018 of 4.85\% represents a significant decrease from the previous high growth. As a result, it may be both prudent and reasonable to maintain a stable tax rate and to continue to augment the College's cash reserves.

## Tuition and Fees:

The College's in-district students contribute towards all three of the College's primary revenue sources. The out-of-district fee is charged since those students do not contribute towards the College's tax revenues, and the out-of-state/international fee is charged since those students do not contribute towards either the College's tax revenues or state appropriations. After the fee increases approved in this FY 2018 budget, it is estimated that local taxpayers are still subsidizing out-of-district students by approximately $\$ 20$ per credit hour, and out-ofstate/international students by approximately $\$ 60$ per credit hour. It is the College's goal to eliminate these subsidies by FY 2020 and to do so before any increases to tuition are considered. Enrollments of out-of-district and out-of-state/international students are going to be closely monitored in FY 2018 to establish impacts of the fee increases to inform possible subsequent proposed fee adjustments.

## Expenditures:

Additional funding provided to the College's six campuses in this approved budget was allocated based on equal priority between growth and program quality improvements as measured by performance metrics. The ten-year average growth rate in student headcount is $6.4 \%$ and, as the College continues to be one of the fastest growing in the nation, additional funding to the campuses and for system support based on growth may be necessary to ensure sustained quality, even as philosophically the College begins to place a greater emphasis on allocations based on performance metrics.

Financial Responsibility and Accountability:
For the $13^{\text {th }}$ year in a row, the College received the Certificate of Achievement from the Government Finance Officers Association of the United States and Canada (GFOA) for our comprehensive annual financial report (CAFR), demonstrating a constructive "spirit of full disclosure" to clearly communicate our financial story. We also intend to continue development of this budget document with the goal of earning the GFOA Distinguished Budget Presentation Award for a document that serves as a policy document, as an operations guide, as a financial plan, and as a communication device.

This is the earliest that the College has ever completed the annual budget, and the first time that the full budget detail has been provided to the Board of Trustees ahead of adoption of the budget. This, along with a goal to continue development of this Budget Report and to earn the GFOA Distinguished Budget Presentation Award by Fiscal Year 2020, and other initiatives demonstrates a focus on providing clarity and transparency to staff, students, and community stakeholders.

This document is available on the Lone Star College website at www.lonestar.edu.

## PROVEN FINANCIAL MANAGEMENT

- LSC is fiscally responsible and maintains a AAA Bond Rating from Standard \& Poor's Rating Services - enabling LSC to borrow money at lower interest rates. LSC's credit rating was increased eight times in the last 10 years
- The LSC tax rate is lower than it was 15 years ago and, the Board of Trustees has lowered the tax rate 6 of the last 10 years. ( 11.74 cents/thousand (TY 2000) vs. 10.78 cents/thousand (TY 2016))
- LSC has received a Certificate of Excellence in Financial Reporting recognition each year since 2004
- LSC maintains a tax freeze for residents age 65+ and/or disabled which means the actual dollar amount owed will never increase, even if the property value increases

## REVENUE SUMMARY

Revenues for Lone Star College are from three major sources - ad valorem taxes, tuition and fees, and state appropriations. The FY 2018 Approved Budget is based on the following revenue assumptions:

- $5 \%$ projected increase in assessed values for ad valorem tax, and $\$ 2.5 \mathrm{M}$ in projected tax revenues for new property reflected on the tax rolls for Tax Year 2017/FY 2018
- Current tax rate of 10.78 cents/thousand unchanged
- 3\% increase in enrollment for Fall 2017, Spring and Summer 2018
- $\$ 5$ per credit hour increase in Fall 2017 and $\$ 10$ per credit hour increase in Spring and Summer 2018 for out of district and out of state/international fees
- $\$ 2$ per credit hour increase beginning in Fall 2017 for the technology fee
- $\$ 1$ per credit hour average increase in differential fees
- $\$ 3.8 \mathrm{M}$ increase in state appropriations

Revenue is derived from many different sources, as outlined below:

Ad Valorem Taxes - Ad Valorem Taxes consist of two categories: maintenance and operations funding ("M\&O") and interest and sinking funding ("I\&S") (also referred to as debt service). The I\&S revenues are used to pay the annual principal and interest of general obligation bonds.

Tuition and Fees - Tuition and fees are levied based on registration and enrollment in courses, and can vary based on a student's residency, course discipline, and course load. The LSC Board of Trustees approves all tuition and fees.

State Appropriations - Funds are allocated on a biennium basis and are limited by the Texas Legislature to cover instructional and administrative costs.

- Funds are provided to Texas Public Community and Junior Colleges, using a combination of three different approaches:
- Core Operations - each of the fifty community colleges in Texas received $\$ 680,000$ annually ( $\$ 1.36$ million for the biennium) to fund core operations, regardless of the size of the institution
- Contact Hours - formula is composed of the average cost of instruction per contact hour multiplied by the total contact hours in the base period. The key component of the formula, the average cost of instruction, is calculated statewide for all academic and technical programs (26 funded disciplines)
- Student Success (outcomes-based) - the formula funding is allocated based on each community college's student success points earned from a three-year average of student completion of other defined metrics

Misc. Income - Other sources of income include, but are not limited to, Sales of Assets, Contributions, Grants, Income from Auxiliary Activities, and Interest Income.

## ENROLLMENT GROWTH

Lone Star College serves an area of more than 1,400 square miles with a population of 2.1 million, including some of the fastest growing communities in the state. In the past four years alone, the LSC service area has grown by 176,000 people, more people than 39 U.S. states added during the same time period. An additional 242,000 people are expected to increase the region's population to 2.55 million by 2019.

The workforce in the LSC area has grown by 9\% in the past five years. From fall 2006 - fall 2016, LSC added more than 39,000 credit students - an $86 \%$ increase.

## DESCRIPTION

Unrestricted funds that support the primary missions of the College.

Funds that must be used for activities that directly involve or benefit students. LSC collects $\$ 2$ per credit hour to fund the student activities. The fee supports recreational and entertainment related activities as allowed by Sec 54.503 of the Education Code. Such activities include but are not limited to, recreational, intramural athletics, student government and other student organizations made available to students.

LSC collects $\$ 11$ per credit hour for the Technology fund. The fee provides funding for the maintenance and usage of technology related equipment that is made available to students in classrooms, libraries, computer labs, or other facilities on-site.

Funds that are spent on Corporate College operations. Lone Star Corporate College partners with global corporations to provide customized training, open enrollment courses, and professional seminars. Staff members focus on the energy, computer technology and advanced manufacturing sectors, but also provide training for retail, hospitality, school districts, health care organizations, nonprofits, and many other industries.

Activities that exist primarily to furnish goods and/or services to students, faculty, and staff and are expected to be self-supporting. Revenues will equal or exceed the expenses. Examples include food services, bookstore and tenant activities.

## STUDENT ACTIVITY FUND

Funds that must be used for activities that directly involve or benefit students. LSC collects $\$ 2$ per credit hour to fund the student activities. The fee supports recreational and entertainment related activities as allowed by Sec 54.503 of the Education Code. Such activities include but are not limited to, recreational, intramural athletics, student government and other student organizations made available to students.

LONE STAR COLLEGE

## TECHNOLOGY FUND

LSC collects $\$ 11$ per credit hour for the Technology fund. The fee provides funding for the maintenance and usage of technology related equipment that is made available to students in classrooms, libraries, computer labs, or other facilities on-site.

## EXPENDITURES BY FUNCTIONAL CLASSIFICATION

A method of grouping expenses according to the purpose for which the costs are incurred used in higher education, as defined by NACUBO. The functional expense categories used at LSC are instruction, public service, academic support, student services, institutional support, plant services, scholarships and fellowships, and other (auxiliary) revenue.

Expenditures by Functional Classification - Percent of Budget

Glossary -
The definitions in this glossary are for reference purposes only and give a general description.
Academic Support - A functional expense category. Includes funds expended to provide support services for the institution's primary missions, including: retention, preservation and display of educational materials (libraries, galleries), academic administration (deans' salaries and office expenses), technical support (computer services and audiovisual information) and separately budgeted support for course and curriculum development, and organized activities related to instruction.

Auxiliary Fund - Activities that exist primarily to furnish goods and/or services to students, faculty, and staff and are expected to be self-supporting. Revenues will equal or exceed the expenses. Examples include food services, bookstore, and tenant activities.

AVC - Associate Vice Chancellor.
Balanced Budget - Revenue budget equals or exceeds the expense budget.
Budget - A financial plan that sets forth the estimated expenses and revenues for a financial period.

Budget Transfer - Shifts previously budgeted funds from one category of expenditure to another.

CIP - Capital Improvement Projects.
Contingency - Funds set-aside for a future event or circumstance that is possible but cannot be predicted with certainty.

Corporate College Fund - Funds that are spent on Corporate College operations. Lone Star Corporate College partners with global corporations to provide customized training, open enrollment courses, and professional seminars. Staff members focus on the energy, computer technology and advanced manufacturing sectors, but also provide training for retail, hospitality, school districts, health care organizations, non-profits, and many other industries.

Debt Service Fund - A fund used to account for the accumulation of resources for, and the payment of, general long-term debt obligation principal and interest.

Expenditure - A disbursement, the incurrence of a liability, or the transfer of an asset for the purpose of obtaining goods or services.

FTE - Full Time Equivalent.
Functional Classification - a method of grouping expenses according to the purpose for which the costs are incurred used in higher education, as defined by NACUBO. The functional expense categories used at LSC are instruction, public service, academic support, student services, institutional support, plant services, scholarships and fellowships, and other (auxiliary) revenue.

Fund - A fiscal and accounting entity with a self-balancing set of accounts.

FY - Fiscal Year. The LSC FY is the period of time beginning September 1 and ending the following August 31.

General Funds - A group of funds that includes the Operating, Repair \& Replacement (FY 2017 and prior years), Student Activity, Technology and Corporate College funds.

IAFY - When used as part of a department description, indicates that the department is no longer in use, has become inactive and indicates the fiscal year.

Institutional Support - A functional expense category. Funds expended to support the entire organization including: fiscal operations, administrative data processing, employee personnel and records, logistics activities (procurement), support services for faculty and staff that do not operate as auxiliary enterprises and activities concerned with community or alumni relations including development and fundraising.

Instruction - A functional expense category. Includes faculty salaries, academic departmental operating expenses, and support staff salaries, but not academic deans.
lifePATH ${ }^{\text {tm }}$ - Lone Star College-Tomball's lifePATH ${ }^{\text {tm }}$ is a four-year comprehensive model of post-secondary educational opportunities for students who have disabilities that affect executive functioning.

LSC - Lone Star College.
LSC-CF - CyFair College, one of the Lone Star Colleges.
LSC-KW - Kingwood College, one of the Lone Star Colleges.
LSC-NH - North Harris College, one of the Lone Star Colleges.
LSC-MG - Montgomery College, one of the Lone Star Colleges.
LSC-TB - Tomball College, one of the Lone Star Colleges.
LSC-UP - University Park College, one of the Lone Star Colleges.
NACUBO - National Association of College and University Business Officers.
Operating Fund - Unrestricted funds that support the primary missions of the College.
Plant Services - A functional expense category. Includes: custodial, building and grounds maintenance, security, and utilities.

Public Service - A functional expense category. Includes non-instructional services benefitting external groups or individuals.

Revenue - Funds received from student tuition, property taxes, state appropriations, grants, and other additional sources.

SBDC - Small Business Development Center. The SBDC Network provides management and technical assistance to small business owners and aspiring entrepreneurs.

SO-UP - System Office University Park.

Student Activity Fund - Funds that must be used for activities that directly involve or benefit students. LSC collects $\$ 2$ per credit hour to fund the student activities. The fee supports recreational and entertainment related activities as allowed by Sec 54.503 of the Education Code. Such activities include but are not limited to, recreational, intramural athletics, student government and other student organizations made available to students.

Student Services - A functional expense category. Funds expended for activities that primarily contribute to students' emotional and physical well-being and to their intellectual, cultural, and social development outside the context of formal instruction including: admissions, registrar, counseling, and financial aid administration (not awarding).

System Wide - A function or a department associated with the whole organization, and not at a specific college.

Technology Fund - LSC collects $\$ 11$ per credit hour for the Technology fund. The fee provides funding for the maintenance and usage of technology related equipment that is made available to students in classrooms, libraries, computer labs, or other facilities on-site.

Texas Completes Initiative - Led by Lone Star College, the Texas Completes cadre includes over 35 colleges. Members seek to increase college completion rates in Texas through the utilization and implementation of high impact practices geared towards degree or certificate completion, seamless transfer to four-year institutions and entry into the workforce.

Texas Reverse Transfer Initiative - A program specifically designed to allow students who transfer to a four-year university prior to earning an associate's degree to be awarded that credential while pursuing the baccalaureate.

THECB - Texas Higher Education Coordinating Board.
VC - Vice Chancellor.
VP - Vice President.
