To the Board of Trustees:

The following annual budget for Angelina College for the fiscal year ending August 31, 2014 is hereby submitted for approval. The detailed written budget is presented in four distinct sections.

The first section covers the primary functions of the College and is referred to as the budget for Educational and General Purposes. This section provides details regarding estimated income and expenditures for these types of expenditures.

The second section summarizes and displays in detail the Auxiliary Enterprises. These activities are not a direct part of the educational program but they meet needs of the students and staff in various areas and generally are self-supporting.

The third section displays information and statistical data pertaining to bonded indebtedness. Projections of balances and anticipated revenues are shown.

The final section includes the Tax Rate Resolution which will be adopted in September once the final tax rolls are certified.

The Educational and General Budget totals \$20,696,867 for 2013 - 2014.
