Administrator's Statement

Angelina College endorses the \$2.011 billion request for student success funding for the 2016-17 biennium as outlined in the July 16, 2014 letter from the Texas Association of Community Colleges and recommended by the Texas Higher Education Coordinating Board. The letter presented to the Legislative Budget Board and Governor's Office of Budget, Planning and Policy focuses on student success and increased educational opportunities for Texans, especially the growing number of Texans whose access to higher education is through community colleges.

We also support continuing the three funding strategies to help all community colleges accomplish their statutory missions:

- Core College Operations: \$50 million for the biennium
- Student Success Points: 10% of the remaining funds funded at a rate that is no less than the current rate (\$185 per student success point)
- Contact Hours: 90% of remaining funds

It is significant that despite the increasing demand for services and the pressures of decreased state funding, that Angelina College asks for no special item funding. We only request that we be funded for the students we serve.
