In accordance with the instructions, The Texas State University System (TSUS) submits its fiscal year 2016 and 2017 Legislative Appropriations Request to the Governor's Office of Budget, Policy and the Legislative Budget Board.

The Texas State University System (TSUS) is governed by a nine person board of regents appointed by the Governor and confirmed by the Senate. Regents serve staggered six year terms, with the terms of three members expiring on February 1 of each odd-numbered year. In addition, the Governor appoints a non-voting student regent for a one-year term expiring on May 31. The Board of Regents provide the strategic and policy direction, oversight and governance for the system. The Chancellor is Dr. Brian McCall.

TSUS was established in 1911 and is composed of a system office, four universities (Lamar University, Sam Houston State University, Sul Ross State University, Texas State University), one upper division college (Sul Ross Rio Grande College) and three state colleges (Lamar Institute of Technology, Lamar State College – Orange, Lamar State College – Port Arthur). The system has approximately 80,000 students, an increase of nearly 50 percent since 2000. Over the past four years, TSUS institutions have made significant strides to increase results; enrollment is up 10%, degrees awarded are up 14%, degrees in critical fields are up 27%, doctoral degrees completed are up 142%, graduation rates are up 10%, online degree programs are up 110%, online credit hours are up 210%.

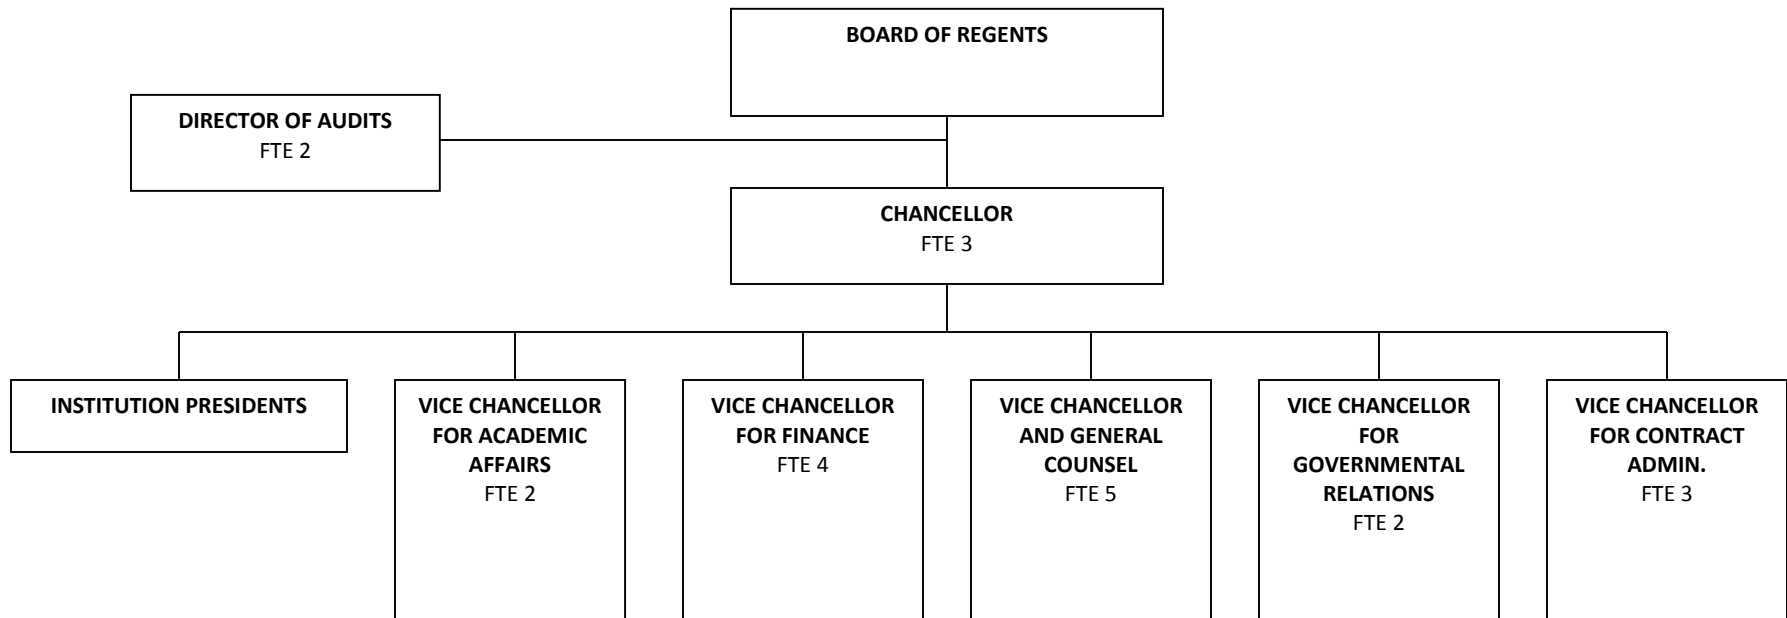

The System Office, located in Austin, Texas supports the component institutions by providing consolidated services in such areas as legal, budget, accounting, insurance, audit, strategic planning, risk management, debt management, academic program planning, construction, governmental relations and communication services. Since 2007, TSUS's average administrative cost per student has decreased by seven percent while the state average has increased by 12 percent.

The System Office requests full base funding. The System Office is not requesting any exceptional items. Pursuant to the Legislative Appropriation Request instructions, a plan was submitted regarding a 10 percent base reduction. This reduction would lead to elimination of services provided to the component institutions.

On behalf of the component institutions, our priorities for the 84th Legislature are to provide additional funding for the existing funding formulas and outcomes based model as proposed in the Higher Education Coordinating Board's Formula Advisory Committee Recommendations, increased funding for student financial aid, capital funding for the construction and renovation of educational facilities, relief with the forgone tuition and fees associated with the Hazlewood Act and increased support to the Higher Education Fund.

The Texas State University System and its component institutions provide exceptional value for individuals seeking higher education opportunities. The Board of Regents, leadership, faculty and staff are dedicated to providing quality educational services while keeping college affordable for all Texans. We appreciate the Legislature's continuing commitment to our mission.

**B. Assessment of Fiscal Year 2012 - 2013 Efforts to Meet HUB Procurement Goals**

**Attainment:**

**Applicability:**

The Heavy Construction, Building Construction and Special Trade Construction categories are not applicable to agency operations in fiscal years 2012-2013 since the agency did not have any strategies or programs related to these services.

**Factors Affecting Attainment:**

The agency has limited funding available for the purchase of goods and services.

**"Good-Faith" Efforts:**

- Texas State University System makes the following efforts to comply with the HUB procurement goals per TAC Section 20.13(d):
- .provide information to personnel to determine the availability of HUB vendors
  - .participate in institutional HUB-vendor fairs
  - .participate in HUB related groups such as the HUB Discussion Workgroup.
