## WORKLOAD AND COMPENSATION

### **3.12 Workload and Compensation**

Expectations regarding teaching, research/scholarship, and service workloads are noted below. Refer to each academic school for specific workload standards.

#### **3.12.1 Teaching Workload Expectation**

The teaching workload expectation is 12 semester hours of course instruction or its equivalent. Schools are responsible for providing more specific guidance for meeting these expectations. This standard may be modified only with the dean's approval' however, each faculty member paid full time from the appropriations item "Faculty Salaries" shall report no less than nine hours of course instruction or its equivalent each semester.

In addition to course instruction, the teaching workload standard may include advising students, directing independent studies and theses, and developing curriculum.

One research scholarship workload expectation is defined as one (1) semester credit hour of assigned teaching or the reassigned equivalent. The normal teaching load for full-time faculty at UHV is 12 credit hours of organized classes that meet minimum enrollment standards.

The school shall maintain credit generation at the existing or expected level or above, based on expected teaching loads for each full-time faculty member.

##### **3.12.1.1 Minimum Course Enrollments**

Classes may be cancelled if they do not meet the State funding formula of ten undergraduate students or five graduate students. However, at UHV the class size expectation will be decided annually by the provost based on institutional necessity and financial considerations. Minimum class size will be communicated to the deans and shared with the faculty. The provost decides exceptions, based on a recommendation by the dean.

##### **3.12.1.2 Course Load Modification**

As specified in initial letters of appointment, the standard teaching load at UHV is 12 credits per semester. School deans may make modifications to the semester credit load, which may include research, administrative tasks or serving as Faculty Senate president. If the semester credit load has been modified for the express purpose of allowing a faculty member more time for research, summer teaching shall be comparably reduced, and the faculty member shall not teach a course elsewhere for extra pay.

##### **3.12.1.3 Overload Teaching**

Overloads shall be approved in advance and are paid at adjunct rates. An overload shall not exceed one three-credit course, or the equivalent, per semester or summer and is considered to be an infrequent and temporary recourse. Faculty members receiving course load reductions are not eligible for overloads. As an exception to this policy, faculty members who agree to teach an overload in response to an unanticipated institutional need will be compensated in accordance with the applicable adjunct rate, regardless of whether the standard teaching load has been reduced.

#### **3.12.1.4 Summer Scheduling and Compensation**

Expectations for summer school scheduling and compensation are subject to change in accordance with university, UH System, or state mandates; the availability of funds; and curricular needs. Faculty members are not obligated to accept summer teaching assignments, and the university is not obligated to make them available.

If available, summer teaching rates for full-time faculty members are currently set at one-twelfth of the member's nine-month base salary for each three-credit summer course that meets minimum enrollment standards. Based on availability of funds, two courses are considered a normal summer teaching load. The third course will be paid at adjunct rates. Faculty members on modified contracts are paid in accordance with their contracts.

Most faculty members can anticipate at least limited summer teaching opportunities, depending on enrollment demand in their field, but summer teaching assignments are not guaranteed and are subject to cancellation.

Faculty employed during the summer are not eligible for summer release time, and they are expected to maintain service and research obligations during the summer.

#### **3.12.1.5 Faculty Availability**

All full-time faculty shall be available for university activities during the academic year. Services shall include, but are not limited to, committee meetings, faculty meetings, student advising meetings, commencement attendance at least once per year, and meetings with UHV administrators. Faculty are expected to be available one week prior to the start of each semester.

#### **3.12.1.6 Academic Advising**

Each school shall establish a procedure for advising both new and continuing students at regular intervals and at designated times during the academic year. Although all faculty members may not always be directly involved in the advising of students, it is the responsibility of all faculty members to know the rules and regulations applying to the admission, enrollment, and degree requirements. The appropriate school administers and coordinates all advising assignments and activities.

#### **3.12.1.7 Office Hours**

Faculty members shall maintain regular face-to-face or virtual office hours when students, staff, or colleagues may contact them. Although office hours may vary depending upon the nature of the individual's assignment and upon the number of student advisees, the following expectations apply to all full-time, part-time, and adjunct faculty:

1. Faculty shall schedule and maintain a minimum of one office hour per week, per course, at times convenient to students and be available by appointment.
2. Faculty shall post office hours on or near the faculty office door and in syllabi. Faculty are required to notify the school dean's or department chair's office of office hours.
3. When office hours cannot be kept as scheduled or must be changed, school administrative assistants shall be informed, and notices shall be posted in the on-line class, on the classroom door, or near the faculty office door.

4. Faculty will indicate in the course syllabus the expected time frame for responding to online student inquiries. When unusual circumstances will prevent regular access, faculty will post this information in the online course(s) affected.
