To the Board of Trustees:

It is our pleasure to present Angelina College's Annual Budget for the fiscal year ending August 31, 2018. The budget is the financial framework from which the college achieves its mission and goals. This document is broken out into three distinct sections: Introductory, Budget and Supplemental.

The Introductory Section shows overall information such as the organizational structure, mission, vision and core values of the College.

The Budget Section provides detailed financial information relating to estimated revenue and expenditures for the Educational & General Fund (\$22,947,825), Auxiliary Fund (\$5,380,553) and Debt Service Fund (\$1,708,324). The Educational & General Fund supports the educational programs of the College. The Auxiliary Fund includes activities that are not a direct part of the educational programs but support the needs of the students and are generally self-supporting. The Debt Service Fund fulfills the long-term debt requirements of the College's General and Revenue Debt Obligations.

The Supplemental Section shows the Board Tax Rate Resolution and Salary Schedules. The budget as presented is balanced and we do not anticipate any significant adjustments during the fiscal year.
